Re: United States v. Estate of Calangelo, et al., 08 Civ. 3947 (CLB)

Dear Judge Brieant:

This office represents the Government in the above-titled foreclosure action. At present, an initial conference is scheduled for June 27, 2008, at 9:30 a.m. The Government respectfully requests an adjournment of this conference to September 26, 2008, in order to permit time for a possible resolution of this matter. This is the Government's first request for such an extension.

Thank you for your consideration.

Respectfully,

MICHAEL J. GARCIA
United States Attorney
